

MEED's Mission Statement

Minority Enterprise & Educational Development, Inc. is a nonprofit organization whose purpose is to positively impact Colorado's minority communities by providing opportunities, empowering minority business and recognizing business successes of minority ventures and giving voice to the state's cultural diversity. Minority Enterprise Development Week (MED Week) is a week that has been set aside, in September, for the last twenty years to honor successful minority entrepreneurs. The week is celebrated locally, regionally and nationally and was originally started by the President of the United States in 1982.

Training seminars, empowerment breakfasts, business open houses, trade fairs, award luncheons and banquets are just some of the events that have taken place.

The proceeds of this event will go to Minority Enterprise & Educational Development Scholarship Award Programs.

Minority Enterprise & Educational Development, Inc. (MEED) established the MEED Scholarship Programs in 1990 to award students financial assistance to further their education.
